Our Lady of Perpetual Help

*O Mother of Perpetual Help,
To Thee we come imploring help.
|| Behold us here, from far and near,
To ask of Thee our help to be; ||*

*Perpetual help, we beg of Thee
Our souls from sin and sorrow free;
|| Direct our wandering feet aright,
And be Thyself our own true light. ||*

*O Virgin Mother, Lady of good counsel
Sweetest picture artist ever drew
In all doubts, I fly to thee for guidance
Mother, tell me, what am I to do?*

*By the face to Jesus' face inclining
Sheltered safely in thy mantle blue
By His little arms around thee twining
Mother, tell me, what am I to do?*

*By the light within thy dear eyes dwelling
By the tears that dim their lustre too,
By the story that those tears are telling
Mother, tell me, what am I to do?*

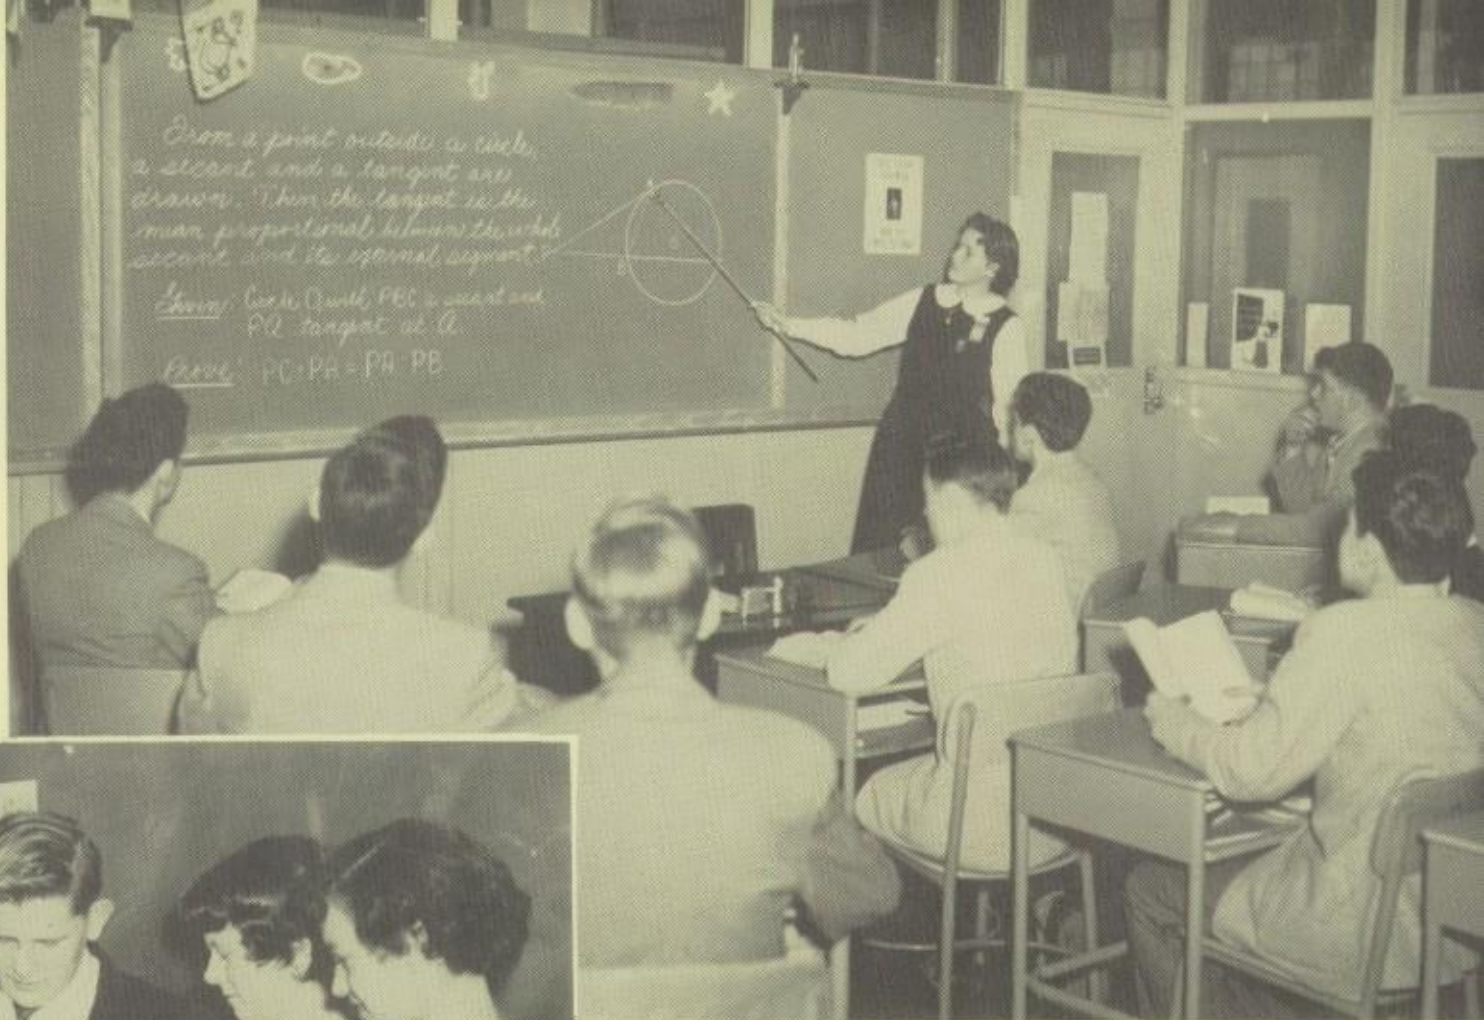

*Life alas! is often dark and dreary,
Cheating shadows hide the truth from view
When my soul is most perplexed and weary
Mother, tell me, what am I to do?*

*Plead my cause, for what can He refuse thee?
Get me back His saving grace anew
Ah! I know thou dost not wish to lose me,
Mother, tell me, what am I to do?*

*Be, of all my friends, the best and dearest;
Oh, my counsellor sincere and true,
Let thy voice sound always first and dearest,
Mother, tell me, what am I to do?*

Any doubts the sophomores may have had, have vanished after Claire's explanation.

With loving hearts and bold
We gather in thine honor

The sacred life of Jesus
In every step divine.
Thy soul was his fair garden
Thy virgin breast his throne
Thy thoughts his faithful mirror
Reflecting Him alone.*

White roses let us bring
And lay them round thy footstool
Before our Infant King.

God's Son was fain to be
The Child of thy obedience
And spotless purity.*

May Our Lady's Peace Pact find fulfillment in the lives of Queen of Peace SENIORS

OUR LADY OF FATIMA'S "PEACE PACT FROM HEAVEN"

Six times, from May through October of 1917, the Blessed Virgin Mary appeared to three little shepherd children at Fatima, Portugal, to give to the world a "peace plan from Heaven." Today, the world is filled with hate, strife and greed. Humanity is threatened with atomic war, with its accompanying suffering, misery, death and destruction such as has never been seen before in the entire history of mankind.

The only hope for averting these disasters lies in the fulfillment, by a sufficient number of people, of the requests made by the Mother of God at Fatima. These simple requests, if heeded in time, will eliminate all wars, cure the mental and spiritual ills of mankind, and will bring about a lasting, peaceful mode of life that will lead all to Heaven and eternal happiness with Almighty God.

The "peace pact from Heaven" forms the only hope for true peace in the world today.

PUTTING THE PEACE PLAN INTO ACTION

History has recorded as having taken place, many of the terrible disasters predicted by the Mother of God in 1917. These things cannot be undone. But we still have our futures ahead of us. They can be happy futures, filled with peace if we live our lives according to Our Lady's requests.

These requests: 1) penance and reparation; 2) the daily recitation of the Rosary; 3) the five First Saturdays; and 4) consecration to the Immaculate Heart of Mary form the "peace plan from Heaven"—our only hope.

ANNUAL RETREAT

Rev. Father Grady distributes Holy Communion
to Senior Boys.

The annual Retreat opening the 1953-54 school year began on September 16, and was conducted by Father Robert F. Grady of the Church of the Epiphany, Cliffside, New Jersey.

In his sermons, Father included such topics as the peace which the world now seeks . . . a peace found only in union with God; the reward of a good life; devotion to Our Lord in the Blessed Sacrament of His Love; devotion to Our Blessed Lady, and finally the necessity of praying often to determine one's vocation.

The student body assisted each morning at the Holy Sacrifice of the Mass; at the closing Mass, the students received Holy Communion.

'53 VARSITY

Football Coach Speaks

Football to many of you is an exciting sport to observe on an autumn afternoon but to the twenty-five MEN of the Q.P. varsity, football is a love and a personal sacrifice. Every afternoon, rain or shine, you will find behind N.A. high school the varsity in action; that is, if you can find the time to leave the afternoon tea party. At a typical afternoon practice session you might see Joe Brady leading the boys while running laps; Don Kieffer exercising; Knobby Walsh digging for the extra yard with Walt Gunn on his back; Dude MacDonald punting to Rich Maddern and John Morrell; Ed Conlon and Lou Morrell passing to the ends; Jim Bayer and Dave Newton making vicious tackles and blocks; or Ed Kiernan down field blocking on the dummies. All the squad participates in these fundamentals along with the above mentioned few.

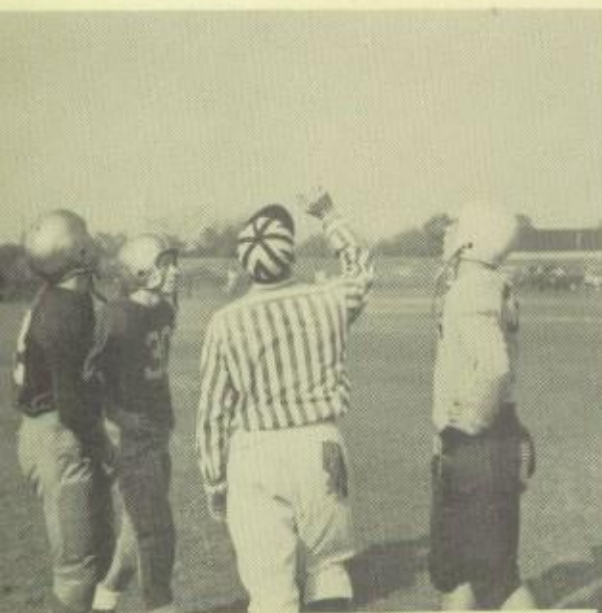

Afternoon practice session commences before four and ends as you are probably at home enjoying the evening meal or listening to the steeple chimes ring six times. Before the team is dismissed in the evening they run a half mile. The headlights of many cars light up the field so as to guide the squad around the field. Now the boys go home to clean up and have their evening meal or study. Sometimes everyone is too fatigued to enjoy the evening meal or study but the team knows that good students make better team players. The description

of a typical practice day might not sound too rough but before you judge, consider that the twenty-five MEN now on the team are the survivors of an original squad of fifty boys. Congratulations to these men who have the desire to play football and the courage and stamina to endure the physical and mental strain of practices. The MEN now on the squad are all the TEAM men and everything they do is as a unit. Thanks to the students who are making such personal sacrifices for the honor of Q. P.

Sometimes we wonder if such hard work is necessary as victories haven't come as frequently as desired but the coaches believe that the hard work has built up character in the team and has prevented injuries and the individual will benefit in years to come.

Terry Kearney, Joe Sheedy, and Rich Maddern, unable to play for the rest of the season, are valuable assets to the team as they give the fellows added incentive and extra spirit.

In this my first venture into the field of coaching, I have enjoyed many pleasant days along with the bitter moments and I want to thank the MEN who have worked so hard for me. The team is deserving of many honors for their efforts. As students of Q.P., and parents, you should be justly proud of these sons who represent our school.

SENIOR FOOTBALL PLAYERS

Ray Anderson—"Murph" a "big" boy who helped the Irish get along in the '53 campaign.

Joe Brady—"Joe" never knew when to quit. His spirit and drive was an inspiration to everyone of his teammates. He played varsity football for two years.

Edward Conlon—"Ace" has brought a lot of fight to the "Irish" since his Junior year on the varsity as a blocking back. This last season he was the first string quarterback for the "Queensmen."

Terence Kearney—"T" had two years of varsity ball but was unable to complete his third year because of a shoulder injury. Terry showed a lot of speed and agility as a quarterback.

Donald Kieffer—"Don" played two years of varsity ball at offensive and defensive end. Don's tackles and fumble recoveries were important in winning many games.

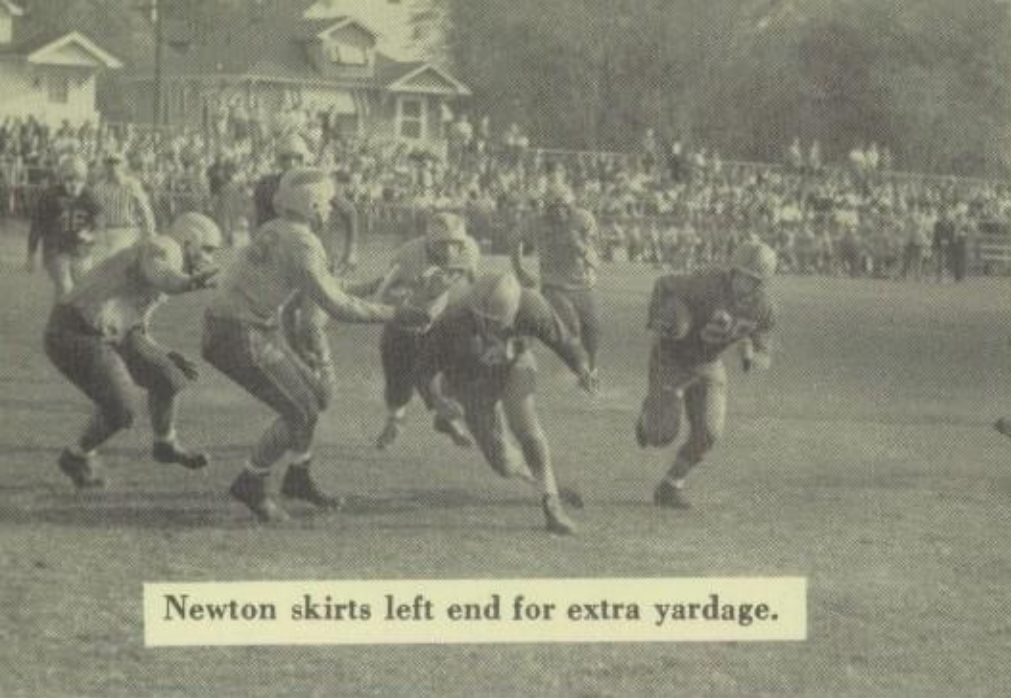

Cameron MacDonald—"Dude" The Dude has been a main cog in the Queen of Peace line this year. His 6' 3" height made it easy for him to make those important aerial catches during a crucial period in a game. The "Dude" has been playing football since his grammar school days.

John Morrell—"Tex" A boy with plenty of "pep" and a willingness to drive on made him one of the most liked players on the team.

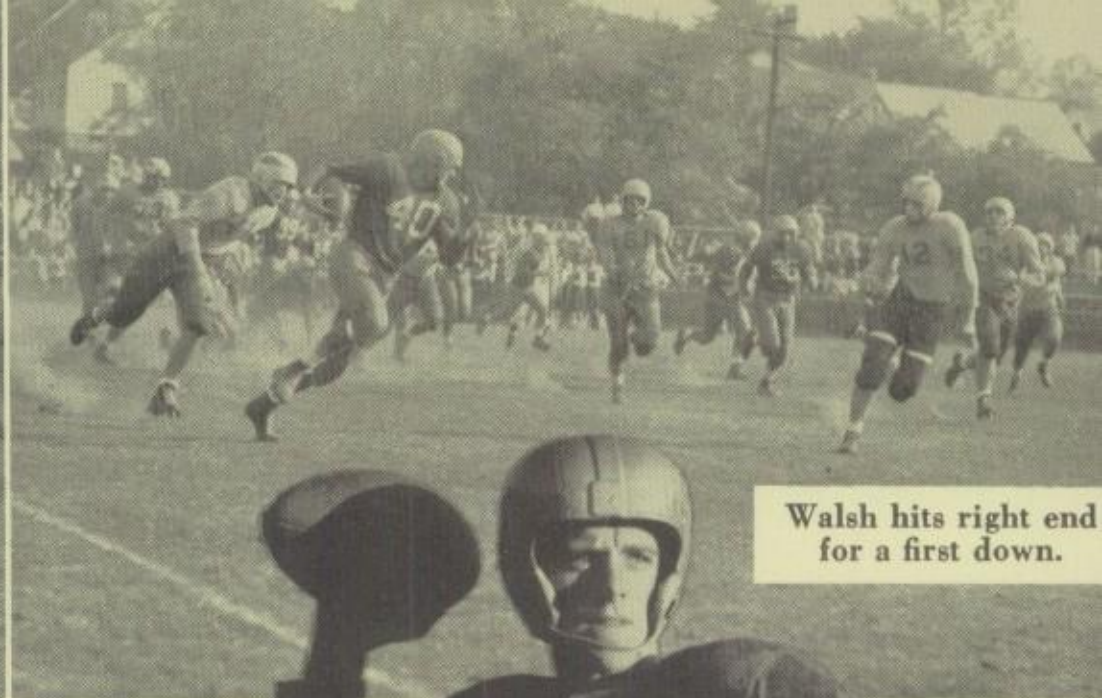

John Walsh—"John" playing his first year of football proved he was varsity material in playing offensive end. He was rated for his circus-like catches in practice.

Robert Walsh—"Knobby" has been playing varsity ball from his sophomore days. Being one of the mainstays of the team, he held down offensive and defensive end positions.

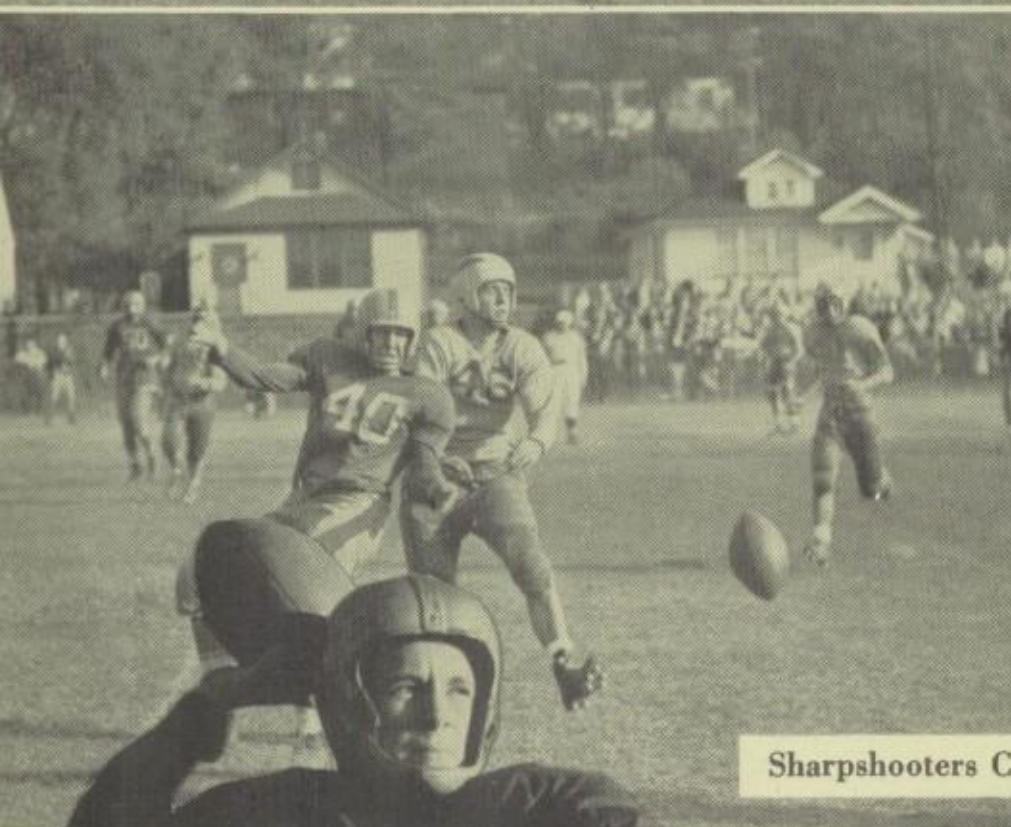

Robert Wohlfarth—"Bob" played football since his grammar school days, a great asset to the team. He was known for his defense spirit.

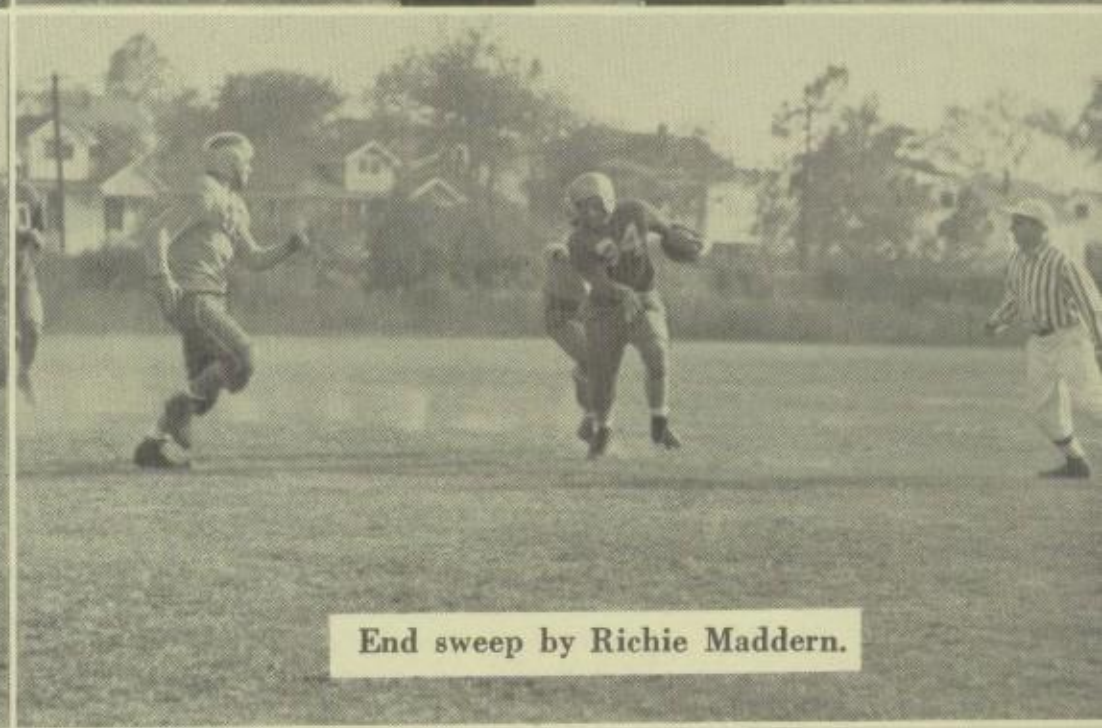

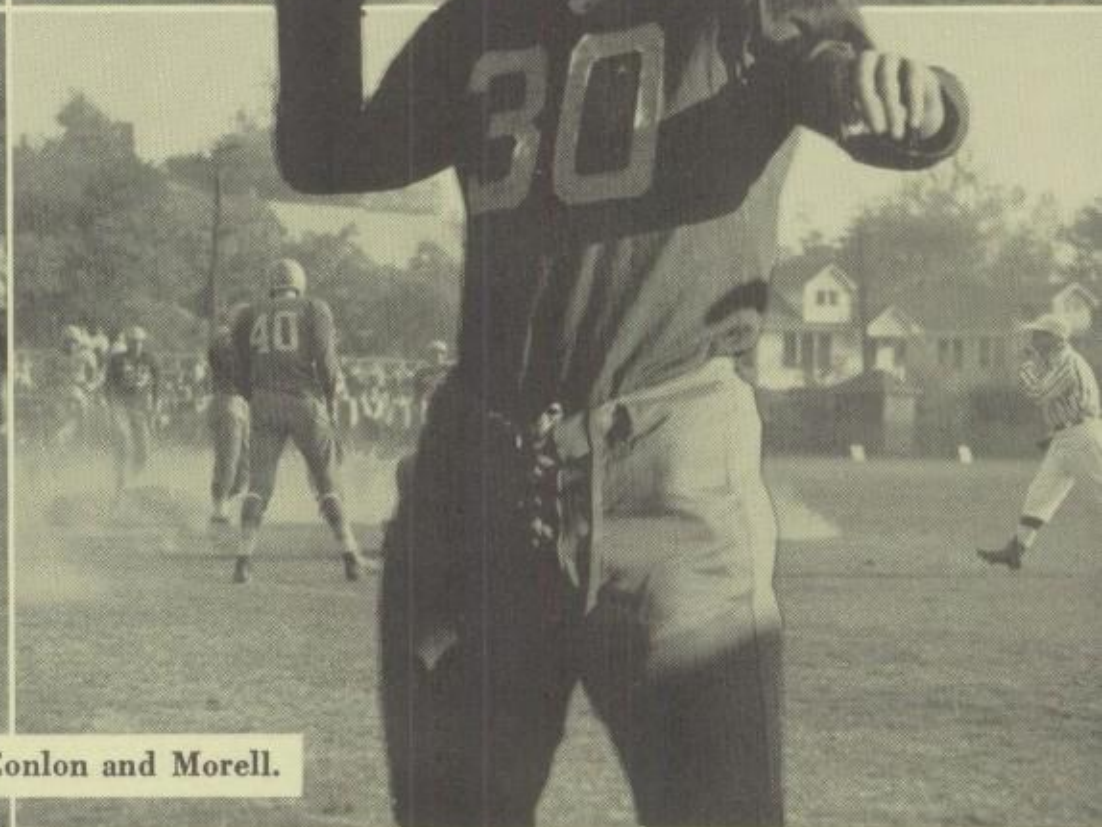

Newton skirts left end for extra yardage.

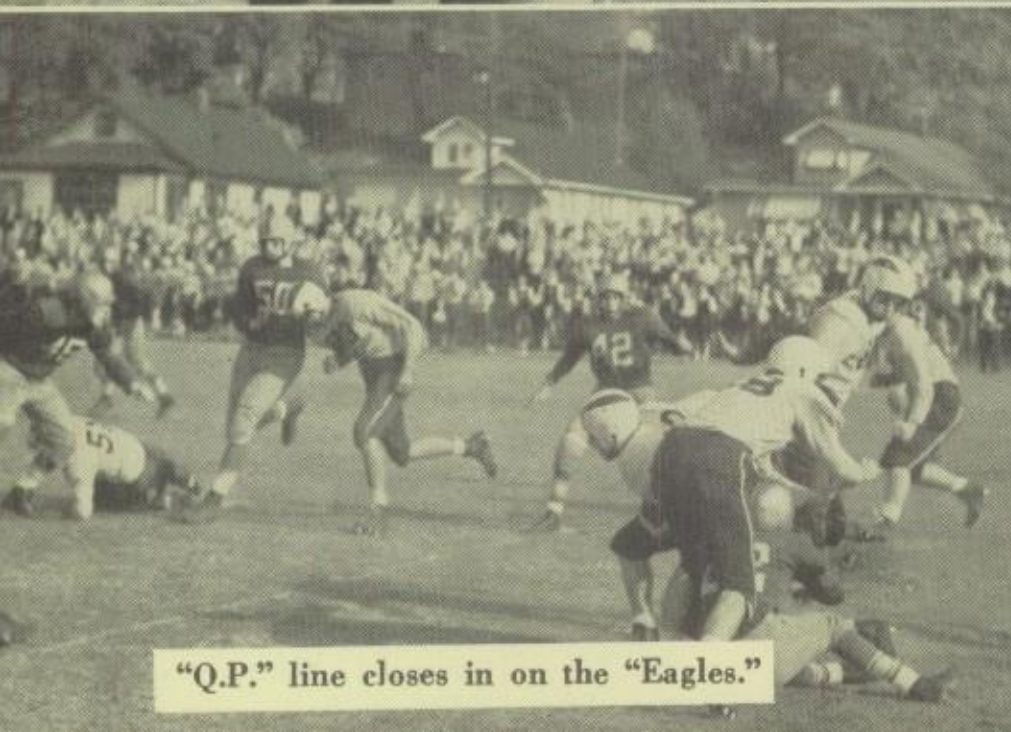

Walsh hits right end for a first down.

Archbishop Boland Consecrates Queen of Peace Church, North Arlington

Msgr. O'Connor's Work for Unique Church to Honor Our Lady Completed in Mary's Year

Archbishop Boland at the throne of Queen of Peace Church at Pontifical Mass, February 12, 1954. Clergy: (left to right) Rt. Rev. Monsignor William F. Lawlor, P.A., Rt. Rev. Monsignor Martin W. Stanton, Rev. Brenden Cash, O.S.B., Rev. Vincent V. Sprouls, Very Rev. Monsignor James Looney, Rev. William Halliwell, Ph.D.

All Americans, East, West, North and South, share with North Arlington, New Jersey, a great joy and dream fulfillment. On February 12th, 1954, the birthday of Abraham Lincoln, the Church of Our Lady Queen of Peace was consecrated there by His Excellency, Archbishop Boland. Our Lady, under the title of the Immaculate Conception, was designated the Patroness of the United States in 1846. It is most fitting and happy that this dream and aspiration of the Rt. Rev. Msgr. Peter B. O'Connor, a Shrine, dedicated to Our Lady Queen of Peace, and to commemorate the historic contributions of Catholics to the spiritual and material and physical growth and glory and honor of America, was completed and consecrated and opened for all the world for prayer and love, in this year officially dedicated to and marking the 100th anniversary of the promulgation of the Doctrine of The Immaculate Conception.

Archbishop Boland surrounded by priests reads the Litany of the Saints.

Archbishop forms Alphabet in Latin and Greek in the form of a cross in the Middle aisle.

His Excellency Archbishop Boland and the Rt. Rev. Msgr. O'Connor and the architects and artists and all the workers who include the loyal and self-sacrificing men, women, and children of Monsignor O'Connor's congregations, bring lasting joy and inspiration to all Americans. The Church of Our Lady Queen of Peace and its surroundings, is, as it were, a song in stone and color, in glass and design. It sings in the spirit of our Holy Father, Pope Pius XII, as he proclaimed this Year of Mary with special devotion and intentions also so perfectly expressed in his "Prayer For The Marian Year."

We offer prayers of thanksgiving to Almighty God and to our Lady for all our blessings. We say special prayers for this priest whom Our Lord has given to us. We give thanks to Him and ask His Blessings for each one who helped Msgr. Peter B. O'Connor's noble dream come true.

GRADUATION

Speakers: Margaret Burns and James Petrella pose at the end of the guest line.

Undergraduates delight the audience by their singing.

His Excellency, the Most Reverend Thomas A. Boland addresses the graduates.

Twentieth Commencement

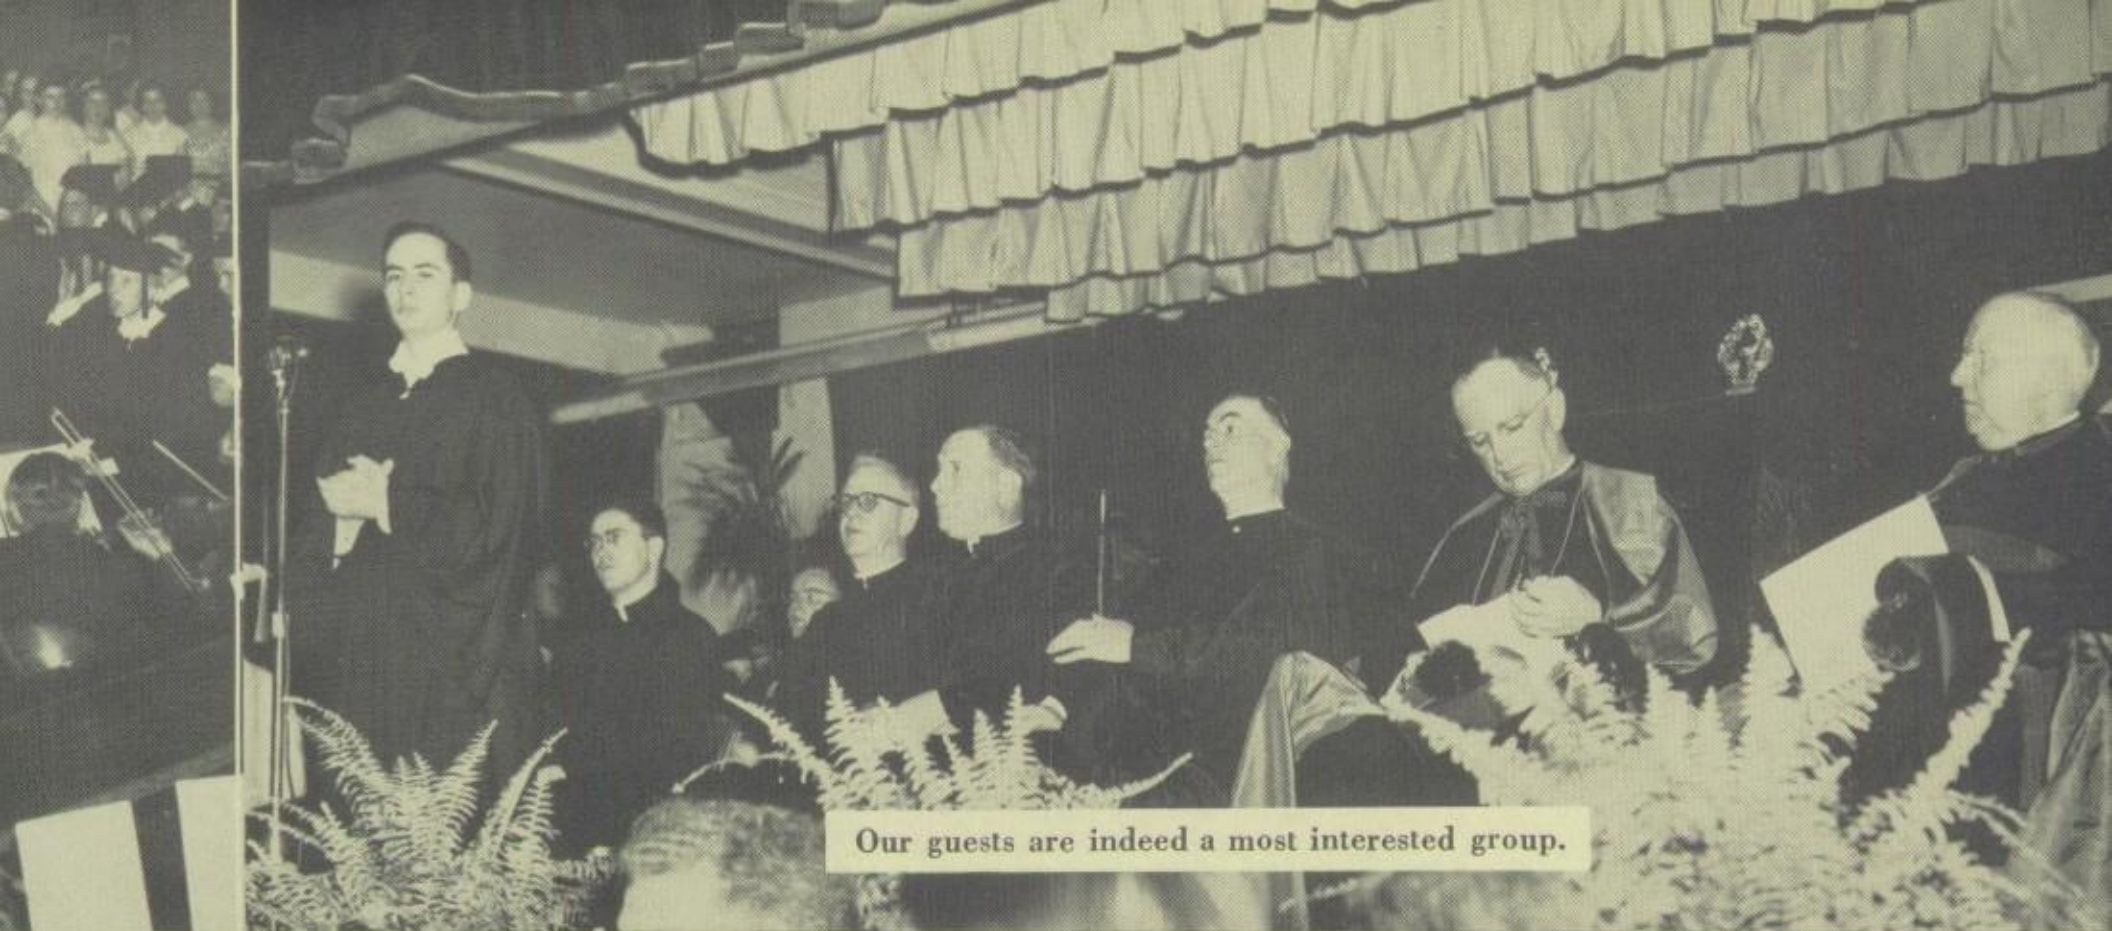

Queen of Peace High School

North Arlington, New Jersey

When our pastor requested Archbishop Boland to preside and speak at our Commencement, he had very little hope that his invitation could be accepted, because His Excellency had so many important functions to attend in his new duties as Archbishop of Newark. But the favorable answer came that, though the Archbishop had an appointment for the twenty-first of June, he would make it his business to be here for our Commencement in the evening. When our pastor announced this to us we were very happy indeed. I am sure that no parish in his Archdiocese can outdo Queen of Peace in its loyalty to Archbishop Boland. May the sincere prayers of this, our Class of '53, added to those of the other students of our school and of our parishioners and friends, ascend to the throne of Almighty God in petition that Archbishop Thomas A. Boland may have many, many long years before him as the efficient and zealous Archbishop of Newark, and may we at Queen of Peace have many occasions in the future to welcome him here and to express our affection and love for him. Immediately following his conferring of diplomas and honors, our beloved Archbishop will address us. (From the respectful introduction of Archbishop Boland by the Valedictorian.)

Sunday Evening, June 21, 1953

Consecration of THE CLASS OF 1954

Receive us, O Lady Queen of Peace, among thy best loved children; extend to us Thy maternal tenderness and solicitude; obtain for us a place in the Heart of Jesus, and a special share in the gifts of His grace. O deign, we beseech Thee, to recognize our claims on Thy protection, to watch over our spiritual and temporal interests as well as those of all who are dear to us, to infuse in our souls the spirit of Christ, and to teach us to become meek, humble, charitable, patient, and submissive to the Will of God.

Receive us, O Mary, the Refuge of Sinners. Grant us a Mother's blessing and a Mother's care now, and at the hour of our death. AMEN.

School Song

*Where can you find a better school
Travel where'er you may,
For we are trained in brain and brawn
Trained in the only way.*

CHORUS—

*Now we are proud of Queen of Peace
Alma Mater dear.
Proud to let the whole world know
Proud with never a fear
Let us prove to you our worth,
Watch us climb to fame.
Example—that's the way we'll guide
Those that still remain.*

*Give us a task or give us play,
Ask what success you will
Sons and daughters of Queen of Peace
'Tis ours but to fulfill.*

*With hearts of Steel we forge ahead
An honest race to run,
A step ahead each day will bring
Life's work is now begun*

(Sung by Graduates)

*From all who wish us joy this day,
A little gift we ask,
A prayer well said to Queen of Peace,
May each do well his task.*
